

Lesser Slave Lake District 21
 Box 1787, Slave Lake, AB T0G 2A3
Community Garden Harvest Giveaway
 Return completed form to: region5@metis.org

District 21 received funding to initiate a community garden this year and 2024. In an effort to help community members by growing our own food, harvesting, and canning workshops, we are striving to foster the community spirit of helping each other, and teaching/learning while growing relationships. We have put together canned produce, whatever fresh potatoes we harvested, and beef and pork from local farmers to assist our citizens. Please fill in the form below and return it to the above email address if you are interested in receiving some delicious local food.

Metis Nation of Alberta Member Number: _____

APPLICANT NAME: _____
